

STAINES ATVT

ALL TERRAIN VEHICLE TRAILER

AGRICULTURAL
SPECIFICATION

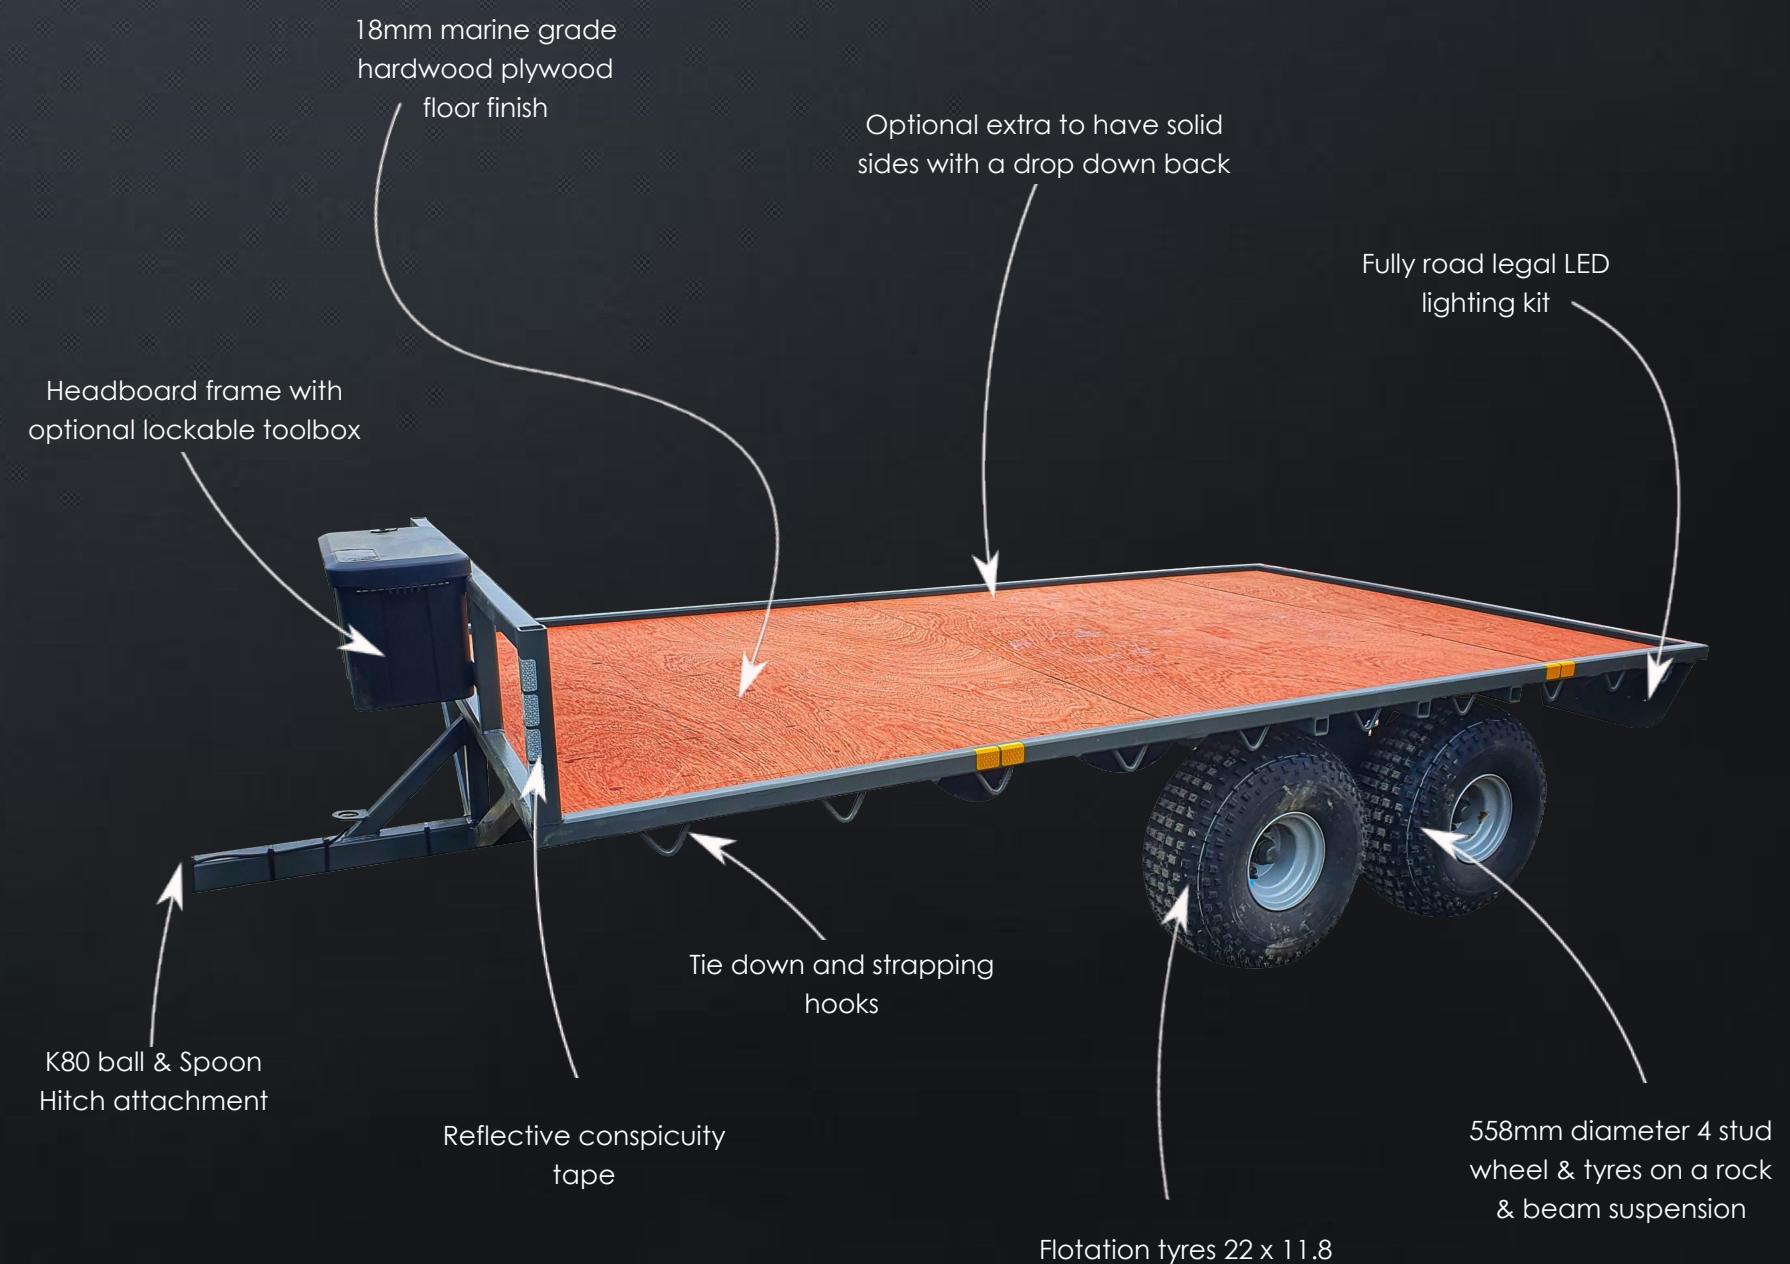

Our Staines tandem all terrain trailer is the perfect addition for on and off road ATVs. Designed with a carrying capacity of max 1000 kg. this handy trailer is perfect for transporting smaller items around any agricultural or construction based site.

Our ATV trailer comes complete with a fixed headboard, toolbox and open sides, however the option to have solid sides and a drop down rear can be achieved if the job requires it.

[Need something to help tow our ATV Trailer? Take a look at our John Deere Gator fleet.](#)
