

STAINES WW32-1

TRI-AXLE WALKWAY TRAILER

Our bespoke Staines Walkway Trailer, was manifested to help solve a transport site issue - we aimed at increasing efficiency, safety and reliability, while offering 180-360 degree access to the main central area of the trailer, Earning us the honour of being awarded the winner of the 2018 Technical Innovation award at the HPC Excellence Awards.

Our walkway trailers are perfect if you are needing to move large usable units around a site, where they will only be stationary for a short period, till they get move on to their next location. Allowing you to leave your unit on the trailer.

Available as a singular or double walkway.
